

Dangerous Goods training for Flight Crew Members and Operations Staff

About the Course:

In accordance with ICAO (International Civil Aviation Authority) and IATA (International Air Transport Association) Category 10 (Flight Crew members and loadplanners) requirements, this 1 day dangerous goods training course covers the following topics:

- General Philosophy
- Responsibilities
- Limitations
- List of Dangerous Goods
- Labelling and Marking
- Recognition of undeclared Dangerous Goods
- Storage and Loading procedures
- Pilot's notification
- Provisions for Passengers and Crew
- Emergency procedures

About the Instructor:

With more than 40 years experience in airline management, dispatch and training in Ireland, UK, Africa, Middle and Far East, our Dangerous Goods instructor (all categories) is approved by Irish Aviation Authority (IAA) and Civil Aviation Authority UK (CAA). Holding FAA Dispatcher Ground Instructor (Advanced) and Dispatcher Certificates, he is principal author ICAO Doc 7192-AN/857 Dispatcher Training Syllabus, and is also registered as Aviation Security Instructor by the Irish Department of Transport.

Course Location:

The course will be held at Edgewater College, Merchant House, 9/10 Merchant's Quay, Drogheda, Co Louth.

Course Duration:

Total course duration: 6 hours (including test).

- Class: 09.00 – 10.45
- *Break: 10.45 - 11.00 (15mins)*
- Class: 11.00 – 13.00
- *Lunch 13.00 – 14.00 (60 mins)*
- Class: 14.00 – 15.00
- *Break: 15.00 – 15.15 (15 mins)*
- Test: 15.15 – 16.00 (pass mark 80%)

Certification:

Having successfully completed the course and test, participants will be awarded a certificate confirming that they have successfully completed Dangerous Goods training in accordance with IATA/ICAO Category 10 and Irish Aviation Authority requirements.

The certificate will confirm the period of validity (2 years) after which revalidation training is required.

This training and certificate also meets the requirements for Dispatcher Dangerous Goods training.
