

JUNIOR AVIATION ENGLISH PROGRAMMES 2011

IRELAND

With over 20 years experience of teaching Aviation English to Aviation professionals worldwide, Edgewater College are now offering Junior Aviation English programmes for aspiring Aviation English professionals.

A combination of Aviation and General English, the 2 week programme promises to improve the communicative competence of each participant.

Participants will experience living an Irish family in order to further strengthen their language learning experience.

What's included?

The Edgewater College junior Aviation package includes:

- Airport Transfers from Dublin Airport to accommodation
- Placement test on arrival
- Induction presentation
