

10 WEEK ENGLISH COURSE

September – November 2010

INTRODUCTION:

Edgewater College, Ireland are delighted to offer a 10 Week English Language course for non-native speakers. This course is designed to accommodate the busy lives of non native speakers living in the area. The course structure is for 1 hour a day for 2 days a week for a period of 10 weeks. Classes are conveniently held in the evenings from 7pm – 8pm. All participants should be ready and willing to learn English in an open and friendly environment. All participants must be literate.

METHODOLOGY:

The sessions are conducted face-to-face and will have a practical focus. The aim of this 10 week English course is to improve the *communicative competence* of each individual in all contexts and situations – social, inter-personal, academic and commercial. We focus on developing all your communication skills, with special emphasis on speaking, pronunciation and listening. Small classes (maximum 15 per class) ensure personal attention for each student, and each course is relevant to the professional area of the student in response to the specific and special needs of the individual. All of our teachers are University Graduates with Post-Graduate qualifications in English as a Foreign Language. Many have experience of living and working in different countries.
